

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

To Exchanges, Publishers, Etc.

Books, papers and periodicals sent in Exchange or for review must be sent to Editors.

SPECIAL NOTICE

FROM THE PUBLISHERS.

Owing to the excess of matter in this issue, the publication was somewhat delayed. We shall always aim to get out each issue promptly on the first of each month, but our editors and authors being so wide-spread we are often delayed a few days in the return of the proofs of articles sent them for revision. With this explanation

we are, truly yours,

BINDER & KELLY.
